

## Universal 7405

All-season universal economy-class engine oil on a highly refined mineral basis for turbocharged and non-turbocharged petrol and diesel engines, including those with very high mileage, operating under various operating conditions.

Product properties:

- Compatible with all sealing materials thus reducing the leakage probability and ensuring the required oil pressure even for engines with high mileage;
- Low volatility reduces oil consumption through burning;
- A thoroughly balanced additive package ensures an efficient service of an engine in all modes of operation: cold start, increased load (off-road and uphill driving, towing, driving with maximum load) and in high-temperature ambient conditions;
- Long-lasting oil film effectively protects from wear, reduces friction and prevents corrosion;
- Ensures reliable lubrication of all engine components under all operating conditions;
- Good detergent and dispersing properties reduce ash content thus minimising the soot and carbon formation and maintaining engine components clean throughout the service life;
- Natural antioxidants effectively resist ageing.

Intended for the maximum protection of petrol and diesel engines of a wide car fleet (passenger cars, light SUVs, minibuses and light trucks) produced by Russian, European and other manufacturers.

## PACKAGING

4L	MN7405-4	Plastic	4 pcs/box
1000L	MN7405-IBC	Pallet tank	
208L	MN7405-DR	Drum	
60L	MN7405-60	Drum	
20L	MN7405-20	Plastic	
10L	MN7405-10	Plastic	
5L	MN7405-5	Plastic	
1L	MN7405-1	Plastic	20 pcs/box
